**********FRITTER FINDER**********

** Did you ever wonder just where your money goes? Do you find yourself having more month than money? If so, this form is for you.

** For one full week, carry the "Fritter Finder" around with you and track every cent you spend. At the end of that week, you will have a clear idea of where those dollars are hiding.

** Consider this, 1.25 in a soda machine every working day for a month (20X1.25) is $25 per month or $300 per year. Could you have used an extra $300 this year?
